

图画作文

第一段：图画描述段

① 单图

What **springs** from this cartoon is such a scene: in/on/inside/beside 地点(例: on the ground/in the office/beside the table), there is 中心的人或物(例: a youngster/an adolescent/a guy/a man/an elderly man), 动作(动词用ing形式), with 周边的人或物+动作(如果with后的名词和动词间是主动关系则加ing; 被动关系则加ed; 没有动作就直接用介词短语, 比如with depression on his face). Finally, several **Chinese characters** under the drawing can be noticed, which **say** that 图画下方文字的意义.

② 双图对比

Two extraordinary and meaningful drawings **unfold** before our eyes. In the first picture, there is 中心的人或物(例: a youngster/an adolescent/a man /an elderly man), 动作(动词用ing形式), with 周边的人或物+动作. However, in the second picture, the 中心的人或物 is 动作(动词用ing形式). Finally, several **Chinese characters** under the **drawings** can be noticed, which **say** that 图画下方文字的意义.

注：如果图画下方没有标题，则将最后一句替换成This drawing/These drawings presented in the test paper stimulate(s) the thinking. (这幅画引人深思)

第二段：分析原因+后果

The purpose of the drawing(双图记得加s) is to show us that utmost importance should be attached to 主题词 (名词). The reasons can be accounted for as follows. **First and foremost**, 万能原因①/②/③/④/⑤, an increasing number of 与图画相关的人群 (例: students/individuals/parents/youngsters/travelers/retailers), nowadays, tend to do sth(与图片类似的行为), no longer disregarding the significance of 主题词. It is 主题词的同义词(想不出来就写 these commendable behaviors) that has/have made tremendously positive impacts on 哪方面 (例: 个人品质类可用 personal development, 社会现象类可用 social climate 或 social development, 校园教育类可用 the growth and progress of youngsters, 家庭问题类可用 the harmony of a family, 传统文化类可用 the development of spiritual civilization). **Furthermore**, what presents to be especially significant is 主题词, which, for everyone, 选 1-2 个好处(用一般现在时, 参考下方).

注：如果图片反映的是负面行为，第二段只用略微调整几个单词：

an increasing number of 与图画相关的人群, nowadays, tend to 与图片类似的负面行为, disregarding the significance of 主题词. It is 主题词的同义词(想不出来就写 the misbehavior) that has/have made tremendously negative impacts on 哪方面. Furthermore, what seems to be especially significant is 主题词(一定要是正面的, 比如主题是 mobile games, 这里就改成 playing mobile games rationally), ... (后面同上)

万能原因

① 经济/科技的迅猛发展和生活水平/教育水准的提高(正面行为)
